

Presidential search firm selected

Clark College has selected Gold Hill Associates to assist the Board of Trustees in identifying and recruiting a new president for Clark College.

Clark College President Robert K. Knight has announced he plans to retire August 31 at the end of the 2018-2019 academic year. He has served as college president for 13 years, helping Clark College expand and grow both in its programs and locations. Clark College is the largest community college in Southwest Washington and one of the largest community colleges in the state of Washington.

“For more than a decade President Knight has provided stability and vision helping the college grow, adapt and serve its community,” said Paul Speer, board trustee. Speer and board vice chair Jane Jacobson are co-leading the board’s recruitment and selection process. “This is an important moment for Clark College. We are looking for the right person for the next chapter of the college,” said Speer. “The board is fully committed to conducting an equitable, inclusive and transparent national search. Gold Hill Associates will be a good partner in the process.”

Gold Hill Associates was selected following a competitive bid process.

Its CEO, Dr.

Preston Pulliams, has worked in a variety of higher education leadership roles

for 25 years. From 2004-2013, he served as District President at Portland

Community College. Gold Hill has made successful placements at more than 20

colleges in the Pacific Northwest.

Gold Hill

Associates will also assist the board in identifying and recruiting an interim

president for Clark College.

The interim

president is expected to serve beginning August 2019 for a one-year period

allowing sufficient time for the permanent presidential search. The interim

will not be considered as a candidate for the permanent position.

“The presidential

search will also be assisted by a Presidential Search Advisory Committee

including representatives from the college and external community,” said

Speer. “We look forward to updating and receiving feedback from the

community as we move forward.”
