

# Science Meets Spice at STEM Camp

A wet sponge. Slime. Something that looks like it belongs in the ocean. All were accurate descriptions high school students gave of seitan dough – a plant-based meat substitute – during this year's STEM Camp.

---

## Clark's Camp Opens Healthcare Door

Echoes of shouts and laughter filled the gymnasium in the O'Connell Sports Center – it was the first day of Clark's Healthcare Pathway Camp, and the energy was high!

---

## Bright Futures in Healthcare

Clark's Allied Health programs honored this year's graduates with two noteworthy ceremonies, celebrating the achievements of our nursing and dental hygienist programs.

---

# Phoenix 2025 Takes Flight

The 45th volume of Phoenix 2025, Clark's esteemed art journal, unveiled June 12 to an eager crowd during the final day of this year's Art Student Exhibit at Archer Gallery.

---

## STEM's Sigma Scholarship Winners

The Mathematics Department is excited to announce the recipients of this year's Sigma Scholarships!

---

## Clark Diesel Partners with Portland Tractor

A new partnership roared to life this spring between Clark College's Diesel program and Portland Tractor, giving students hands-on access to modern heavy equipment and real-world training.

---

# **Empowering the Next Generation of STEM Leaders**

At Clark College, MESA (Mathematics, Engineering, Science Achievement) Scholars aren't just preparing for degrees in STEM – they're building networks, gaining real-world experience, and shaping their futures through one of the nation's most impactful academic support programs.

---

## **Celebrating Clark College's 89th Graduating Class**

It was an evening to remember at the Cascades Amphitheater as hundreds of students from Clark College crossed the stage to celebrate a milestone that, for some, had been years in the making.

---

## **Celebrating Graduates Across Campus**

In the weeks leading up to commencement, departments across campus hosted their own heartfelt ceremonies to honor the achievements of their graduating students.

---

# The Science of Discovery

Students, faculty, and staff gathered for the 4th Annual Chemistry and Biology Joint Poster Session. This year's event blended scientific inquiry with community engagement.
